MLAA Conference & Trade Expo 2023

Dates - 27 October, 2023 - 28 October, 2023

Location- Pullman International in Cairns

Dear locksmiths & security professionals,

After a very successful Conference on the Gold Coast last year, we are delighted to be bringing the Association's 2023 National Conference & Trade Expo to the Pullman International in Cairns. This will be our 40th Conference, and our first in Cairns.

Our Trade Partners will be on hand to show their very latest products and services, and we will offering a number of breakout sessions covering business essentials, skills training, mental health, marketing, and more.

The Gala Dinner & Awards night will be held at the Cairns Convention Centre, located within walking distance of the Pullman. Master of Ceremonies, Anthony Lamond, is back to ensure the event runs smoothly, and he has promised to leave the jokes to our entertainer, Kat Davidson.

There are several awards to be presented on the night, including the Best Shop and Best Van awards sponsored by SG Locks. We will also be announcing the winner of the prestigious 2023 John Andrew Apprentice of the Year competition, sponsored by LSC Complete Security Solutions, Silca and ABUS. Lock & Key will reveal the details of their very generous donation of locksmithing tools & equipment to the TAFEs as part of their Future of Locksmithing initiative.

Our theme for this year's event is Secure Your Foundation - Invest Now to Build a Stronger Future. We encourage everyone to invest not only in their own businesses, but also the future of this very industry, and attend this important networking event.

We look forward to welcoming you in Cairns.

Jim Fisher
President, Master Locksmiths Association of Australasia

Jim Fisher
National President
Master Locksmiths Association
of Australasia

Peter Johnson
CEO
Master Locksmiths Association
of Australasia

Location

The Pullman Cairns International.

Enjoy unique Cairns accommodation in Tropical North Queensland. Swim in the tropical pools, enjoy a relaxing treatment in Vie Spa or dine on the best local seafood & award winning pastry delicacies in Coco's Kitchen + Bar.

Located in the heart of Cairns CBD & close to the departure point for daily trips to the Great Barrier Reef & other natural attractions.

With 16 floors of spacious hotel rooms, this hotel means business, with 2700sqm of state of the art meeting, conference & event facilities.

Featuring a central location in the heart of Cairns, Pullman Cairns International offers guests an excellent base from which to explore the city. Fine dining and casual eating are just moments away for guests at the Pullman Cairns Hotel.

With plenty of local knowledge the staff at Pullman Cairns International are on hand to help guests decide what to do & where to go. From Great Barrier Reef tours, crocodile adventures, whitewater rafting, Daintree Rainforest tours, or outback day trips.

Entertainment

Kat Davidson

Who has 24 years comedy experience, brilliant stories and keeps the laughs coming, no matter who is in the audience? This lady...

Seeing Kat on stage is like visiting an old friend you haven't met yet. She's shared the stage with the world's best comics (Stephen K Amos, Steven Wright, Dave Hughes to shamelessly name drop a few)

Kat brings a fresh and intelligent view to her comedy. She tackles relationships, observations and random events with equal passion and her unique storytelling ability takes her audience along with her for the ride.

Kat has been a professional improviser since 1993, hosted Gala Events, coached blue chip companies in communication and worked a crowd from the back of a cattle truck.

She can be heard regularly across Queensland ABC radio, broadcasting through the Covid 19 pandemic and bringing the news and some much-needed laughter during lockdown and beyond.

Kat has headlined the best comedy clubs in Australia and Canada and can also be regularly found at sea performing for huge crowds on P&O Cruise ships.

Anthony Lamond - Conference MC

Anthony Lamond is one of Australia's hardest working and much admired Stand-Up comedians having hosted and produced over 750 Shows all around Australia.

He has produced shows and shared the stage with high profile comedians such as Dave Hughes, Jimeoin, Arj Barker, Fiona O'Loughlin, Peter Rowsthorn, Cal Wilson, Merrick Watts, Lawrence Mooney, The Old Fella, Chris Franklin, Heath Franklin and Bob Franklin just to name a few.

LOCKTON 'E-Series' SMART DOOR LOCK - ELEV64

BLACK Art. ELEV64-BLK

SILVER Art. ELEV64-SIL

PRODUCT DESCRIPTION

LOCKTON 'E-Series' Smart Door Lock supports:

- Fingerprints
- Digital PIN Codes
- Mobile App functionality
- Suitable for Domestic and Office applications
- Retrofits most residential and commercial Knobsets and Leversets
- Optional G2 Gateway accessory allows for Remote access and control of lock via WiFi

PRODUCT SPECIFICATION

- Finish: Black or Silver
- Suitable door thickness: 35 - 50 mm
- Adjustable 60/70 mm Backset Latch
- Power Supply: 4 x AAA Alkaline Batteries
- Battery Life: Approx. 10,000 openings
- Safe Working Temperature: -20 to 50 Degrees Celsius

ELEV64 - GATEWAY OPTIONS

Gateways extends the functionality of your E-Series locks by giving the administrator Control to access remotely, from anywhere in the world!

LOCKTON 'E-Series' ETHERNET BRIDGE - G3 Gateway

Art ID. G3-GATE

PRODUCT DESCRIPTION

Optional Gateway designed to suit LOCKTON ELEV64 Smartlock. The G3-GATE enables communication with your Smartlock via Ethernet, allowing you to Change PIN Codes, Add Fingerprints, Create Temporary PIN Codes, Review Audit Trails and other management tasks from anywhere with an Internet connection via the TT Lock App. Purpose built for installation in commercial environments or where a strong Wifi connection can't be achieved.

PRODUCT SPECIFICATION

- Dimensions: 70 x 70 x 26mm
- Network Interface: RJ45 (Ethernet)
- IEEE Standard: 802.3
- Power Interface: Type-C USB or PoE
- Power Input: DC 5V/500mA

LOCKTON 'E-Series' WI-FI BRIDGE - G2 Gateway

Art ID. G2-GATE

PRODUCT DESCRIPTION

Optional Gateway designed to suit LOCKTON ELEV64 Smartlock. The G2-GATE enables communication with your Smartlock via Wi-Fi, allowing you to Change PIN Codes, Add Fingerprints, Create Temporary PIN Codes, Review Audit Trails and other management tasks from anywhere with an Internet connection via the TT Lock App.

PRODUCT SPECIFICATION

- Dimensions: 70 x 70 x 26 mm
- Network: WiFi 2.4G
- IEEE Standard: 802.11 b/g/n
- Power Connection: Type C USB
- Power Input: 5V/500mA

Art. 1-7918-H-217

Art. 1-7918-H-BLK

'V06' Electric GATE LOCK (Universal Handing) 70mm B/set - Latching Deadbolt

PRODUCT SPECIFICATION

- Installation: Vertical or Horizontal
- Backset: 70mm
- Double replaceable coil (distributes the load uniformly and ensures a long working life)
- Retrofits to existing V96 Electronic Locks
- Voltage: Standard 12V AC (on request 12V DC & 24V AC or DC)
- Case Material: One Piece Steel (completely galvanized or anthracite metallic painted on galvanized base)
- Cover Material: Steel (completely galvanized or anthracite metallic painted on galvanized base)
- Latchable Deadbolt: Solid Brass with Nylon Insert to reduce Closing Noise
- Cylinder: Set up for double or half profile cylinders (not included with Lock)

Art. 1-7918-H-217

Art. 1-7918-H-BLK

'V06-WB' Electric GATE LOCK (Universal Handing) 70mm B/set - Suits Bi-Directional Gates *Galvanised Steel*

PRODUCT SPECIFICATION

- Installation: Horizontal
- Backset: 70mm
- Double replaceable coil (distributes the load uniformly and ensures a long working life)
- Voltage: Standard 12V AC (on request 12V DC; 24V AC or DC)
- Case Material: One-Piece Galvanized Steel
- Cover: Completely Galvanised
- Latchable Deadbolt: Stainless Steel, with a special shape that hooks to the striker
- Cylinder: configured for double or half profile cylinders (not supplied with lock)

Art. 1-7918-WB

Art. 7928

Art. 7928-BLK

'V90' Electric GATE LOCK (Universal Handing) 70mm B/set - Horizontal - Outward Opening - Latching

PRODUCT SPECIFICATION

- Installation: Vertical or Horizontal
- Gate opening direction: Outward
- Backset: 70mm
- Double replaceable coil (distributes the load uniformly and ensures a long working life)
- Voltage: Standard 12V AC (on request 12V DC; 24V AC or DC)
- Case Material: One Piece Steel (completely galvanized or anthracite metallic painted on galvanized base)
- Cover Material: Steel (completely galvanized or anthracite metallic painted on galvanized base)
- Latching dead-bolt: Solid Brass
- Cylinder: Configured for double or half profile cylinders (not provided with lock)

Art. 7928

Art. 7928-BLK

'V09' Electric GATE LOCK (Universal Handing) 50mm B/set - Suits Sliding Gates

PRODUCT SPECIFICATION

- Installation: Horizontal on the fixed upright of the sliding gate or Vertical, with accessories, on the inside of the sectional door and motorised shutters
- Backset: 50mm
- Opening impulse time: controlled by an electronic board, can be interfaced with automation systems.
- Replaceable coil
- Voltage: 12V or 24V A.C. or D.C.
- Case: One-Piece Galvanized Steel, with cable entry on the back (for maximum protection) or on the side (opening a pre-punched hole).
- Cover: Galvanized Steel, with automatic security block when the lock is closed
- Rotating Spike Dead-Bolt: highly collision-proof, inserted in steel guides, protected by case-hardened steel rotating rings, operated by stainless steel springs. Guides and rotating rings treated with "NIPLOY PROCESS" nickel plating, anticorrosion.
- Cylinder: version suitable for profile half cylinder with length 40mm (30+10) with DIN or universal cam
- Cylinder Mechanism: Brass Pins, Mushroom Brass Counter Pins (pick resistant) & Phosphor Bronze Pin Springs
- Strike: Galvanized Steel, easily fitted thanks to the practical lock alignment template

Art. 7905

'V97' - Range (L&R Handed - In & Out Gate Specific Options) Adjustable backset 50-80mm - Horizontal mounting With Deadlatch

PRODUCT SPECIFICATION

- Installation: Horizontal
- Backset: Adjustable from 50 to 80 mm, with a simple operation
- Double replaceable coil (distributes the load uniformly and ensures a long working life)
- Voltage: Standard 12V AC (on request 12V DC; 24V AC or DC)
- Case: One-piece Steel (anthracite metallic painted on galvanized base)
- Cover: Steel (anthracite metallic painted on galvanized base)
- Handle: Nylon, and Nylon Cylinder/push button ring nut
- Latch: Solid Brass, self-locking with the device locked
- Ejector: Nickel-Plated Steel, separate from the latch to ensure the correct working of the lock even if there is vertical adjustment between the lock and the striker (caused by weather changes)
- Cylinders: Solid Brass, fixed internal, fixed external
- Keys: Supplied with 3 x VIRO Profile Nickel Plated Brass Keys

'V9083' Electric GATE LOCK - 63 mm Ext. Cylinder with Adj. 50-80mm B/set Horizontal Latching

PRODUCT SPECIFICATION

- Installation: Vertical or Horizontal
- Backset: Adjustable 50-60-70-80 mm
- Double replaceable coil (distributes the load uniformly and ensures a long working life)
- Voltage: Standard 12V AC (on request 12V DC; 24V AC or DC)
- Case: One-Piece Galvanized Steel
- Cover with handle: Galvanized Steel
- Latchable Dead-Bolt: AISI 304 Inox Stainless Steel High Resistance, Double Tightness Dead-Bolt
- Cylinder: Solid Brass, fixed internal, fixed external
- Keys: supplied with 3 x VIRO Profile Nickel-Plated Brass Keys

Art. 9083-0793-BLK

SMALL PINNING MAT

SUITABLE FOR VANS (305MM X 203MM)

(SMALL 305mm x 203mm)

PRODUCT DESCRIPTION

This high quality rubber pinning mat from SP LOCK PINS is a must have for any mobile locksmith. The mat comes with several raised sections and indents to help prevent pin loss and streamline the pinning job process.

The underside of the mat is also mildly adhesive ensuring it stays in place and won't slide around, making it a great option for vans and mobile workshops.

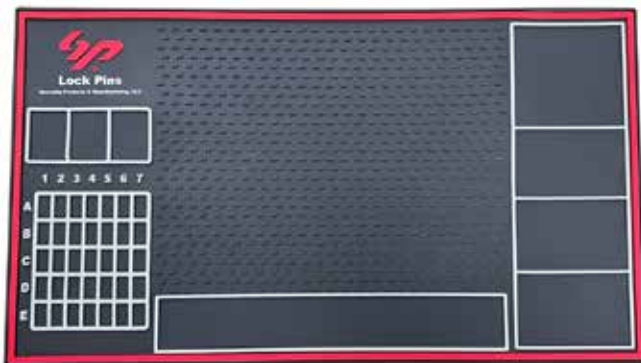

PRODUCT SPECIFICATION

- Material: Rubber
- Dimensions: 305 x 203mm

Art. **SP-PMAT-S**
