Anthony Lamond will be back for a third time to MC our Gala Dinner, with Peter Rowsthorn to provide the entertainment on the night.

More details will be provided in the coming months, but for now, please save the date!

Anthony Lamond - Conference MC

Anthony Lamond is one of Australia's hardest working and much admired Stand-Up comedians having hosted and produced over 750 Shows all around Australia.

He has produced shows and shared the stage with high profile comedians such as Dave Hughes, Jimeoin, Arj Barker, Fiona O'Loughlin, Peter Rowsthorn, Cal Wilson, Merrick Watts, Lawrence Mooney, The Old Fella, Chris Franklin, Heath Franklin and Bob Franklin just to name a few.

Peter Rowsthorn - Entertainment

A high energy, fast paced stand up comedian one minute, a measured character actor the next, and a masterful MC the following...if nothing else Pete Rowsthorn has plenty of experience, just no idea how to keep track of time!
A star of stage and both the small and big screen with numerous movie and television appearances, he was a regular participant on "Thank God You're Here", and hosted the ABC's series "Can We Help" but is probably best known for his role as the downtrodden Brett from Kath & Kim.
Pete's infectious enthusiasm, humour and energy make him one of this country's most popular and memorable entertainers.
